

VP100

The Innovative Countertop Solution

Experience the future of payments with VP100, the innovative countertop solution featuring a user-friendly display and cutting-edge features.

Benefits

➤ User-friendly and Intuitive Experience

Enjoy a user-friendly experience with a spacious touchscreen display on our intuitive interface with digital signature capture feature with print, SMS, or email receipt options. The VP100 offers effortless bill splitting functionality tailored to group payments to enhance convenience.

➤ Advanced Technological Expertise

The VP100 offers flexible processing with dual merchant IDs (MIDs), uninterrupted service with the auto-connection failback procedure, and enhanced Ethernet and Wi-Fi options, ensuring secure and reliable services.

➤ Secure and Convenient Contactless Payments

Embrace the future of payments through cutting-edge EMV card technology, offering swipe, tap, and dip card payment options along with EBT-enabled devices, catering to a wide range of customers' needs.

➤ SMS & Email Marketing Opportunities

Increase customer loyalty with our Engage My Customer™ via personalized SMS and email campaigns, enhancing brand awareness. Utilize our integrated feedback rating system for insights to refine services and elevate customer satisfaction.

Dual Pricing

The Dual Pricing feature allows businesses to display a transparent card and cash price. This feature enhances flexibility in pricing strategies and helps businesses satisfy diverse customer needs effectively.

Digital Signature Capture

The Digital Signature Capture feature is a reliable solution for businesses needing secure and convenient signatures. The customer has the capability to sign on-screen for a quick and easy transaction.

Bill Splitting

The Bill Splitting feature enables customers to divide a bill among multiple individuals in situations like group dining or shared expenses, ensuring a smooth and enjoyable experience.
